SUMMARY

I'm a 3D artist with a focus in lighting and look-development. I am highly motivated, and I have strong organizational skills and a lot of experience with collaboration.

EXPERIENCE

Freelance CG Generalist, Arc Creative, LA   March 2025 - Present
I'm working remotely for Arc Creative as a freelancer doing lighting and lookdev for a few projects.

The Mill CG Generalist, Los Angeles, CA   January 2022 - February 2025
I worked remotely for the Mill on various large-scale commercials as a CG generalist with a focus on lighting.

CESI Technical Artist/3D Generalist Intern, Orlando, FL   Spring 2021- Fall 2021
I created procedural assets in Houdini for defense simulations at Cole Engineering Services Inc. I held a secret security clearance for this position.

Publix 3D Design Intern, Lakeland, FL   Summer 2019
I modeled, textured, and rigged 16 original 3D characters to be used in Publix Supermarkets computer-based training. I presented my final work to the CEO and senior executive team.

SKILLS

Software: Maya, Houdini, Unreal Engine, Substance Painter, Zbrush, Nuke, Adobe After Effects, Adobe Photoshop, Arnold, Vray, Renderman, Mantra, Adobe Illustrator, Adobe Premiere

Skills: Modeling, texturing, lighting, rendering, scripting, digital sculpting, drawing, vfx, compositing, digital painting
